From the lieston Post. Final decission of the curied hair case. The General School Committee, His Honor the Mayor being in the chair, held a meeting We are requested to state that the New up in papers. Mr. Charles Fox, master of Rev Saster Fuguar. the Boylston school, and be-rated a young. At the suggestion of several liberal donations, lady who persisted in doing so, and Mr. G. B. Smith, her guardain, entered a verbal complaint to the committee. After each genman had stated the case in his own way, but both agreeing as to the facts, the committee nassed resolutions that Mr. Fox was justified service in the Presbeterian Church on to-morrow in the course he had adopted, and that the marning. young lady should be restored to her rank in

school, after making a suitable apology.

AMERICAN ENERGY.-A merchant from on the 16th altimo., forty eix young gentlemen re-New-York was at the Lodon Coffee House ceived the diploma of the College, among the in Ludgate Hill, when the news of the number we perceive the name of Mr. Willey V. gread fire which lately occurred in that city STEWART, of this District. arrived. His premises were totally consumed, and he found himself, as in a moment, a rained man. His plan was instantly formed. In fifteen minutes from the time his the Kershaw Volunteers, under date of the 16th eres had rested on the paper, a chaise and March, from "Camp St. Joseph's." This letter four was at the door, in which he hurried to states that the company had been out for some days Dover. Arriving in the night he hired a in march of a small body of Indians, who had steam boat for 75 guiness, which soon landed him at Calnie. Thence he hastened, with forunate enough to find them. During the march, all possible expedition to Lyons. He reached that city eight hours before the news of the fire and employed his time in purchasing silk goods to such an extent, and on such terms as to secure a profit of at least 25,000£ the destruction being principally of French silks, and to so large an amount as to require more than all the existing stock at Ly. letter that the company are all well. ons to make it good .- London paper.

From the S C. Herald.

College controversy we promised that the cessor's. Indeed, Mr. Ssownes, the publisher public should have information respecting its seems to spare no pains, either in its embellish-condition from time to line. We take a ments, of its general mechanical execution, in mapleasure in saying that the Institution has un- king it worthy of the patronage of the fair ses dergone a very great change in respect to its The Literary department will not suffer by a comvine service in the chapel every Subbath its perticular objects. It is published by W. W. Professor Effict delivers two discourses, one Scoupes, N. Y. at \$3 per annum. in the forenoon, and one in the afternoon. The students are attentive and behave with the mimost decorum. As a preacher Professor Elliot is solemn and impressive, his style certain conflemen in North Carolina, who had rechaste and elegant, and his delivery grace- quested his opinion as to the powers of Congress ful and enimeted. The Trustees have been relative to the abolition of slavery in the District fortunate in the appointment of Mr. Etliot. of Colombia. The position which he at present We believe that in a moral and religious occupies before the American people, as the most point of riow; our College is as promising prominent candidate for the highest office within as it ever was. These remarks ar made as a their gift, attaches an importance to his opinions matter of justice on our part-justice to the on all subjects, and the excited state of public public, and justice to the Institution. This reformation in the College we attribute to the exertions of the christian community and their determination not to support an Institution to which their sons could not be sent in safety
